

# Reflective Questions for You're Not Behind — Discipled by the World

## 1. Where do you feel like you've fallen behind compared to other men?

Comparison is the silent thief of gratitude.

“Let each one test his own work... and not in comparison to someone else.” — Galatians 6:4  
God's plan for you doesn't need a benchmark.

---

## 2. How has the world taught you to measure success?

Culture rewards speed and results, not faithfulness.

“Man looks on the outward appearance, but the Lord looks on the heart.” — 1 Samuel 16:7  
He measures progress by obedience, not optics.

---

## 3. What would change if you truly believed God's timing is perfect?

Delays would feel less like punishment and more like preparation.

“The Lord will fulfill his purpose for me.” — Psalm 138:8  
You're not late—you're being shaped.

---

## 4. Why do you think we compare our calling to another man's journey?

Because envy disguises itself as motivation.

“Each of you should remain in the situation which the Lord has assigned.” — 1 Corinthians 7:17  
Faithfulness in your lane glorifies God more than chasing another's.

---

## 5. When have you mistaken slow growth for no growth?

God works underground before anything shows above it.

“The kingdom of God is like a mustard seed...” — Mark 4:31  
Invisible progress is still progress.

---

## 6. Who reminds you that your value isn't tied to achievement?

You need people who point you back to identity, not performance.

“You are my beloved son; with you I am well pleased.” — Mark 1:11  
Before Jesus did anything, He was already approved.

---

**7. What lies have you believed about being “behind”?**

That God’s disappointed, that time’s run out, that others matter more.

“The Lord is not slow in keeping his promise, as some understand slowness.” — 2 Peter 3:9

He’s not late—He’s patient.

---

**8. How can you rest in God’s pace this week?**

Peace comes when you stop sprinting and start trusting.

“Be still, and know that I am God.” — Psalm 46:10

Stillness is not stagnation—it’s surrender.
